

the information eXchange

The Children's Disability Register helps to improve sharing of information between families of disabled children and the service those families use.

In exchange for the completion of the register we will send you a newsletter containing up-to-date news articles on support, services and events three times a year.

The information you provide may be shared with Children & Young People's Services and its partners, though no personal details will be given.

If you would like assistance in completing this form, please phone 01709 336423

PLEASE PRINT AND USE A BLACK PEN

Parent / Carer details - This is where we will send the newsletter

School or setting - let us know which school or setting (e.g. nursery, play group) your child attends.

Does your child have a statement of special educational needs or an Education Health and Care plan?

Yes

No

In the process of applying

Voluntary groups - let us know which voluntary groups or organisations you are involved with

Services - your opinions

The Register will help to inform providers on what would make life better for families of disabled children. If you have any ideas or opinions, please let us know here.

Leisure time

What does your child do in their leisure time?

What would they like to do?

What do you think about the play and leisure facilities in your area?
