Non-uniform day in exchange for unwanted 'smellies' (mothers day presents)

If you have not returned your Data Forms to school can you do so, as soon as possible so we can keep our records up to date. Thank you.

Dear Parents/Carers

Thank you to Year 2 who lead our first Mass of 2019. The Gospel was about being unique and not changing for anybody. We need to remember this, we are all special and unique with different talents to offer. Sometimes we

struggle with this as we strive to be what we think we are supposed to be or what we are supposed to have. It is important that we share this with our children, so they can value who they are.

Year 6 showed us how unique they are in last weeks maths competition within the Rawmarsh cluster, we came

first and third place, what a wonderful achievement to all those involved a particular mention to Sam and Jakob Walker.

We have to say goodbye today to another unique adult in school. Mrs Williams has been with us for 12 years and she leaves to join the hearing impaired team within the local authority. I know this is a dream job for Mrs Williams and we wish her all the best in her new endeavour. There will always be a place for her in our hearts and I know the children are going to miss her.

Kind Regards
Mrs Briggs
