16th September 2016

Dear Parents and Carers,

It has been lovely to see our Foundation children settling into their new school routines. Thank you to all the parents who have attended the introduction meetings and thank you for your suggestions.

It has also been lovely to see lots of parents from the other classes coming to find out more about their child's new learning environment and meeting the teachers.

Thank you to the parents who have been to see me to ask about volunteering in school.

Safety of the children

Just a reminder that the gates will be closed at 8:45am and 3pm in the interests of the children's safety.

If you are collecting children from After School Clubs then again you are to enter the premises by the entrance by church **NOT** through the main car park.

Thought for the week

"I can say one good thing about myself"

Please talk with the children about this. It is important that they recognise their own unique gifts and talents. Respecting ourselves is the first step in being able to show respect to other people.

Attendance and Punctuality

Our attendance grid will be back next week.

Please ensure that your children are in school every day and that they arrive on time ready for learning.

80th Anniversary

On Friday 30th September 2016 we will celebrate the 80th birthday of our school. The day will begin in church with Mass at 9:15am.

The children will be able to attend school on the day dressed in the fashion of their decade- I cant wait to see them all dressed up!

School Council Elections

Well done to all the children who put themselves forward to be nominated for the School Council. We heard some very well thought out speeches and some of the votes were very close. This is an important process for the children as they are learning the skills of democracy.

Our new School Councilors are:

Year 1	Jack Pearson and Poppy Stanley
Year 2	Alexia Miladi and Finlay Smith
Year 3	Niamh Dean and Isabel Brearley
Year 4	Summer Myers and Courtney Forbes
Year 5	Isabel Evans and Bailey Chambers
Year 6	Tyler Shaw and Koby Kaczmarczyk

The Chair Person and the Vice Chairperson will be elected during the first meeting. The School Council will be visiting the Town hall next week.

Behaviour

The majority of our children demonstrate excellent behaviour around school and have excellent attitudes towards their learning. It is vital that as parents you ensure that the children recognise that they must follow the school rules, show respect towards the adults and treat each other with respect.

There have been a few instances this week of inappropriate behaviour which has resulted in Behaviour Contracts being drawn up for some children and others being excluded. Our children come to school to learn and this must be reinforced at home.

Thank you for your co operation with this.

Sports Ambassadors

I have heard excellent reports from the Lunch Time staff about our Sports Ambassadors, They have been working with Mr. Rockett in supervising and helping the other children to play sensible games and to work together.

Thank you and well done to them.

Scholastic Book Club

If your child would like to order from the book club then please send your order along with payment in to school in an envelope clearly marked with your child's name.

School Dinners

The price of a school dinner is now £2:05.
